## BAPTISM OF JESUS - COUNIING TO 10

## fREE MATERIAL

What did it look like by the Jordan river when Jesus was being baptized there?
The task is based on the story of Jesus' baptism (e.g. Matthew 3:13-17). The child chooses a card that tells him how many and what kinds of people and things should be used to finish up the picture of Jesus in the river.
How many happy or angry people were there? How many trees, flowers or stones? How many fish?
The material includes: 1 background picture, 112 small pictures („set pieces") a 16 cards with numbers.
